Community Mental Health Services Programs Executive Directors

FROM: Cynthia Kelly, Interim Deputy Director *C. Kelly*
Behavioral Health & Developmental Disabilities Administration

SUBJECT: Survey of Program and Performance Indicators of Michigan Clubhouses

Enclosed for your careful review and response is the survey of Michigan clubhouses. The intent of this survey is to quantitatively assess all of the 43 clubhouse programs utilized by people who have mental illness in the public mental health system.

It will also provide valuable feedback to the clubhouse members and staff, local community mental health providers along with the Michigan Department of Community Health (MDCH) administration. The results of the survey will inform these key stakeholders how well the clubhouse programs support the principle of recovery for individuals with mental illness by demonstrating essential elements of clubhouse principles as delineated by the Medicaid Provider Manual.

It is the intent of the MDCH to promote and support the quality improvement efforts of clubhouse programs in alignment with the MDCH system transformation effort. The report based on the survey will be available upon its completion.

There are two different ways to respond to the survey. You can use the electronic survey available at <http://www.surveymonkey.com/s/clubhousesurvey>, or type and print the attached survey, if using the paper survey, complete and mail it to Marty Alward at the address listed below. All responses, electronic or paper, are due by Tuesday, August 10, 2011.

Marty Alward, Program Consultant
Medicaid Infrastructure Grant
Bureau of Community Mental Health Services
Lewis Cass Building, 5th Floor
320 South Walnut
Lansing, Michigan 48913

Questions regarding this survey should be directed to Marty Alward (517) 241-8830.
